

August 2023

Dear Parents,

We hope you are enjoying these last few weeks of summer with your children. With the school year just around the corner, we have created an Amazon Wish List for our school supply requests. [You can access the list here.](#)

We are asking each family to purchase **two or three items** from the list. **Bring these items during Meet and Greet on Thursday, August 31 or during the first week of school; please refrain from sending them directly to WHMS.** Many of the items on the list come in bulk and will be distributed to the students once they arrive. There is no need for you to label anything before it comes to school.

In addition to the items listed on Amazon, we would love to continue the tradition of having each child bring a small plant or succulent to school to be displayed throughout the classroom. The children will learn how to take care of their plants and watch them grow during the year.

All students in the Primary program are also required to have a designated pair of indoor shoes to be left at school, as well as a rain suit and extra clothing in a plastic gallon-storage bag.

Recommendations for the rain suit include this one from [Tuffo](#) and this one from [OAKI](#). Please include these items in the extra clothing bag: a reusable wet bag, two pairs of underwear, two pairs of socks, pants, and a t-shirt. **Don't forget to label all items with your child's name.**

All plants and personal items can be brought in on our Meet and Greet day or on the first day of school. We look forward to returning to the classroom and seeing everyone in just a few short weeks, but please feel free to reach out with any questions before then: jpelizari@woodlandhill.org .

Enjoy the rest of your summer!

Jessa and Ben
