

April 17, 2020

Dear Parents,

I hope that you all have enjoyed our Spring Break Camp and had the opportunity to participate in some of the many activities from cooking and yoga to dog training and musical instruments and much more! We had usually about 15-25 participants in each live show, but all the events were recorded so you will have the chance to go back over the week if you missed something you would like to see. Thank you so much to everyone who presented. It has been a week of fun and learning!

Governor Cuomo has extended school closure to at least May 15. Unfortunately, our MS and UE school trips will not be able to take place this spring. I know we all feel very bad about this, but even if school were to reopen, I am quite sure that travel would not be permitted. We will be sending all Upper Elementary and Middle School families a separate email regarding trip fees. We are thinking about our graduation and what the options might be to plan a celebration in August as a contingency if our planned graduation will not be possible. We will be planning a virtual meeting with the Middle School families to discuss this.

Over the next week, our Primary and Elementary teachers are rolling out our new Google Sites. These websites will help contain and organize the many resources they have presented over the past month. You can easily go back to the class site and see the schedules and online resources.

Next week, on Wednesday at 9 a.m. we have a parent coffee hour planned. This is a time when parents can get together to discuss the successes and challenges of all that is happening with your children at home. I hope that you will be able to join. We are also having an evening meeting at 7:30 p.m. on Wednesday, April 29 to allow those with different schedules to attend.

Michelle and I also have 'office hours' on Tuesdays for anyone that needs any assistance with anything. Meghan and Nicholle are offering tech support times on Mondays and Wednesdays at 2 p.m. for anyone - teacher, parent or student - who needs assistance. We are all available to help you at other times. Don't hesitate to ask!

Michelle and I will be popping into classes this week. We look forward to seeing the work your children are doing.

Sincerely,

A handwritten signature in black ink that reads 'Susan'.

Susan Kambrich, Ed.D.
