

April 9, 2020

Dear Woodland Hill Family,

We miss all of you and look forward to returning to our school up on the hill. Until that time, we will continue to support our students through our online learning program and maintain our sense of community connectedness with virtual activities.

Your continued tuition support is vital, and WHMS is fully committed to our teachers and maintenance of our infrastructure, so our classrooms are ready for our children when the threat of COVID-19 abates.

Due to the closure which Governor Cuomo has determined will be through April 29, we will be applying credits to your WHMS family account for pre-payments made for Aftercare and Enrichment. You may also choose to donate this credit to help with tuition costs for families in need. This crisis has impacted some of our families significantly and your help will make a difference. Please let Moira know if you would like to donate. You can email her at mrienzo@woodlandhill.org

We have some financial aid that can be used on a case-by-case basis, as determined by need. We want to support our families during this difficult time. Please feel free to contact the Business Office (businessoffice@woodlandhill.org) or me if you have any questions.

As always, but especially now, we wish to extend our deepest gratitude for your ongoing support of our school and all of our students.

Hoping your family remains safe and well,
