Throughout the year, there are days when school is not in regular session. During most of these days (Monday – Friday), enriched childcare is provided. Theme-based arts and crafts, playtime, projects, games and activities are all part of the enrichment program. Hours for Enrichment Days are 7:30 a.m. – 6 p.m.

This is a sign-up form for those “Enrichment Days.” As the year progresses we will send out an enrichment reminder form allowing for monthly sign-ups at the rate of $50 per day. Families who sign up at the start of the school year will pay the discounted rate of $40 per day, will be accommodated first, and do not need to sign up again on the reminder form. If we have low enrollment on a particular day, we may need to cancel the program, or reduce the hours. You will be informed of the cancellation in advance so that you will have time to make other arrangements. There are no refunds for Enrichment Days. In order to receive a credit of $35, we must be notified three business days in advance of your registration. To receive the discounted rate, this form along with payment, must be submitted by Friday, September 8.
