Cadence Analytics and
Bridge Innovate

Successful and innovative entrepreneurs, including **Google's** founders Larry Page and Sergey Brin, **Amazon's** Jeff Bezos, **videogame pioneer** Will Wright, and **Wikipedia** founder Jimmy Wales, began their education in **Montessori** where they learned to follow their curiosity and think differently.

Hear the stories from area **entrepreneurs** on their businesses and how education played a role in their success.

COMMUNITY IS INVITED

Woodland Hill
MONTESSORI SCHOOL
