Dear Woodland Hill Families,

Welcome and thank you so much for joining us at our annual meeting in our school’s 50th year.

Our 50th anniversary provides us with the opportunity to not only celebrate our accomplishments, but also to reflect on where we’ve been and where we’re heading. WHMS has grown and thrived during perhaps the greatest period of societal, technological, and educational change in modern times. When WHMS opened, the civil rights and environmental movements were in their early stages, and PCs and the internet were decades away.

We have seen a variety of educational reform movements from the “new” math, to No Child Left Behind to the Common Core. Through all this change, the Montessori method has remained constant, tried and true. Although WHMS has grown and evolved, we strive to maintain our goal of making certain that WHMS stays true to its mission of providing a Montessori “curriculum to develop the intellectual, spiritual, physical, artistic and academic excellence inherent in each child.” Every year the Board of Trustees uses this core mission as its guide to all decisions, both big and small, and we are proud of the school’s accomplishments.

Thank you to our entire community for your time, energy and support. We look forward to working with you in the new year.

Sincerely,
Michael Endler
President of the Board of Trustees

Dear Woodland Hill Families,

50 years ago, a small group of dedicated parents were preparing to open a new type of school to our area, a Montessori school! The group formed an organization called the Albany Area Montessori Society and opened the school in September of 1965. The classroom had 20 children with a Montessori trained teacher and an assistant teacher. The classroom was very similar to what we have today. The tuition was $500 a year.

Here is an excerpt from The Knickerbocker News. “The classroom is a long rectangular room with tall windows on each side. Yellow curtains, made by mothers, are tied back at each window. The room is divided into sections according to the activities planned for that area. Each child has a mat which he considers his private domain. When he uses materials such as the staircase or tower, he gets out his mat and spreads it on the floor and works there. When he is through, he replaces his materials and the mat.”

It was very courageous and a lot of work for these parents to create our school and I am proud that we have been able to live up to the dream that our founding parents had of a Montessori school. One of the founders, Olga Swick, with whom I had the honor of working with for many years, said our new building was a dream come true for her.

I am so proud to be a part of this important educational institution that brings Montessori education to so many. This year, we are educating 291 students. We have come a long way from 1965 and are looking forward to many more wonderful years.

Sincerely,
Susan Kambrick
Head of School
NEW FACULTY MEMBERS

We welcomed five new faculty and staff members this year.

Frank Carlascio is the Director of Facilities. Frank has worked in the building trades for many years, including RPI and Zandri Construction. Frank has a degree from Hudson Valley Community College.

Brittany Gonzalez is our new Middle School English Language Arts teacher. Brittany has a bachelor’s degree in English and a master’s in Adolescence Education from Plattsburgh State University where she graduated cum laude. Brittany is a former Montessori student herself and fondly remembers her experiences.

Denise Stark is teaching Latin to our Middle School students. Denise is a retired teacher from Bethlehem Central School where she was the Chair of the Foreign Language Department for 14 years.

While Marla Bracco is taking a sabbatical year to teach violin in Hong Kong, we have hired two violin teachers.

Anne Marie Haber is a WHMS parent and has been taking violin instruction from Marla for seven years. She received her initial Suzuki teacher training from the Ithaca College Suzuki Institute. Anne Marie has served as a substitute for Marla several times over the past few years.

Eileen Markland has been teaching violin and viola for 15 years to students ranging from ages 2 to 74 years. She received her early formal violin training at The Crane School of Music and went on to earn a degree in Music Performance from Ithaca College. Eileen completed her Suzuki Teacher Training at the Ithaca Suzuki Institute and the Hartt Suzuki Institute and is a registered teacher with the Suzuki Association of the Americas.
A Sampling of WHMS Events

There are 291 students at WHMS this year, including 32 in Middle School, 58 in Upper El, 67 in Lower El, 109 in Primary, and 25 in Toddler/Toddler II. Our students come from 29 school districts across seven counties: Albany, Columbia, Greene, Rensselaer, Saratoga, Schenectady, and Schoharie. This is our largest enrollment ever.

Sia Shah won the WHMS Spelling Bee on January 14 by correctly spelling the word ‘intrepid.’ She represented Woodland Hill at the Capital Region Spelling Bee at Proctors on February 11.

Logan Blind won our inaugural National Geographic Bee on January 29.

On January 30, Woodland Hill students rung in the Lunar New Year with a Chinese New Year celebration. Most of the students wore red and carried noisemakers and streamers as they paraded through the school. The parade ended in the gymnasium where the Upper El students entertained the crowd by reciting Chinese couplets and jokes. They worked with our Chinese exchange teacher Amelia on the event.

WHMS parent, and nationally-known musician, Sean Rowe performed a concert for WHMS families on Friday, January 23. Nearly 80 people attended the concert, which was held at the Opalka Gallery at Sage College.

Our 50th Anniversary Fall Family Fun Day was held on Saturday, September 27. Hundreds attended the event, which included cupcakes for our 50th anniversary, a performance by the Nano Brothers, solar-powered cars, a ground water demonstration, and more!

As part of our 50th anniversary celebration, pediatric neuropsychologist Dr. Steven Hughes came from St. Paul, Minnesota to speak to teachers and the community on the benefits of Montessori education. During his visit, Dr. Hughes led a faculty meeting, met with board members, and toured the school. His presentation on Tuesday, October 7 was attended by nearly 125 parents, former parents, and local Montessori teachers and administrators.

On November 20, WHMS held a Sustainability and Innovation Forum that featured six speakers and was attended by WHMS Middle School students and WHMS parents. Middle School students from The Brown School also attended. The speakers were motivating and interesting.

On November 20, WHMS held a Sustainability and Innovation Forum that featured six speakers and was attended by WHMS Middle School students and WHMS parents. Middle School students from The Brown School also attended. The speakers were motivating and interesting.

Pinar Karabulut is a student teacher from Germany that is working in Andrew and Michele’s class this fall and winter. She is a student at the University at Siegen, studying elementary education.

The WHMS Green Team, which is comprised of teachers and parents, conducted an experiment in the beginning of September. They collected all of the waste after lunches and measured it. The Green Team calculated that WHMS students and faculty generate 30 gallons of trash each day just from their lunches. That equates to more than 5,000 gallons a year. The trash was on display during Back to School Night, along with a table displaying environmentally-friendly alternatives.

Dr. Steve Kress, VP Bird Conservation Director, Seabird Restoration Program, National Audubon Society (i.e. “The Puffin Man”) came to WHMS and made a presentation to the first through eighth grade students about his and Audubon’s Society remarkable work on Project Puffin, the effort to restore puffins to Maine’s coast that began in 1973.

Middle School students presented this year’s class play in late March. The production was two plays combined into one performance - Arthur Miller’s The Crucible and the students’ own original work The Test.

The WHMS Green Team held the third annual Potluck and Lantern Walk on October 17. The group made their own lanterns, walked through the woods, and gathered on the soccer field to sing songs.
The Upper El has taken field trips this school year to the Shaker settlement, the Quackenbush Square Planetarium, the Albany Gurudwara, and the Grafton Peace Pagoda.

Our Middle School students attended the Abolition & Escape school program at the Rensselaer County Historical Society on October 3.

Several families decorated the WHMS lobby for Diwali. Known as the Festival of Lights, Diwali is the most important and largest holiday in India.

Head of School Susan Kambrich was elected to the Board of Directors of the AMS, the American Montessori Society.

In October, our 15 8th graders and teachers traveled to New York City to participate in the Global Citizenship Action Project. GCAP provides middle school students the opportunity to see and better understand the work of the United Nations. Through a variety of presentations and inspiring activities, our students were able to meet with international leaders and converse with other Montessori students from across the country and beyond.

Congratulations to the Class of 2014!

On June 13, eighteen 8th grade students graduated from Woodland Hill Montessori School. Half of the class has attended WHMS since the Primary level. They were the first class to begin their WHMS career at our current building.

Rensselaer County Executive Kathleen M. Jimino gave the commencement address and Caroline Galt was the senior speaker.

Our 2014 graduates are attending the following schools:
- The Albany Academies (3)
- Albany High School
- Academy of the Holy Names
- Emma Willard School (8)
- Troy High School (4)
- Shaker High School

Save the Date!

WHMS 50th Anniversary Gala

Join us on Saturday, May 2 at 90 State Street in Albany to celebrate the 50th Anniversary of Woodland Hill Montessori School.

We will be honoring Head of School Susan Kambrich and Board President Michael Endler.

We hope to see you there!

2014 Gala

200 members of the Woodland Hill Montessori School community gathered on Friday, March 28 for the 16th Annual Gala. Parents, faculty, staff, grandparents, and community members attended the festive event, which was held at the Franklin Plaza Ballroom in downtown Troy.

More than $43,000 was raised for WHMS through our Silent and Live Auctions and our balloon pop. The evening’s success was due to the Gala co-chairs, Kate Singh and Celeste Steinke, and the committee. Thank you to everyone who made the evening a huge success!
