Dear Parents,

It is always interesting to pause during our school year to think about the past year. Looking back, we have had a productive and exciting year.

We have a visiting teacher from China, Lijun Ni, who goes by Amelia. She is from Wuxu near Shanghai, and has degrees in engineering. She is staying with Woodland Hill families while she is here this year.

Six of our violin students also traveled to Japan for the Montessori Suzuki conference.

We hosted our sister school teachers from Babati, Tanzania in the spring.

We expanded our Toddler class to two sections this year, one in the early morning and now one in the later morning. Our toddlers and their families have been a wonderful addition to our school.

We have the largest number of students ever at Woodland Hill – 278 children from 18 months old through 8th grade.

The High School Exploration Committee was very active this past year. As a member of the committee, I visited The Post Oak School, School of the Woods, and St. Stephen’s Episcopal School to get a firsthand look at a Montessori high school. I was very impressed. The hallmarks of a Montessori high school include integrated topics of study, extensive and meaningful field work, community service, and a well-developed, and appropriately rigorous, curriculum. The high school students serve the school as leaders.

The visits and the research and work that the High School Exploration Committee has done is very exciting. In October, the board of trustees invited Marta Donohoe from the Cincinnati Secondary Teacher Education Program to talk with us about a Montessori high school. Although financially the WHMS board does not feel we can move forward at this time, the idea was, and is, supported by many on the board and in the community. If and when the time is right, a Montessori High School may indeed be a part of the WHMS campus.

This fall, our school was voted one of the Best Places to Work in the Capital District by the Albany Business Review. I already knew that Woodland Hill is the best place to work! Every day I am thankful to work in a place that promotes individual success for each student, a challenging curriculum that inspires and motivates, and caring, bright, hardworking and creative faculty who work to bring out the best in our students. Our board is committed to WHMS and our strategic goals. The dedicated staff has the school running smoothly, with attention to detail. In addition to genuine camaraderie, they truly care about the well-being of our students and the success of our school.

Sincerely,

Susan Kambrich
Head of School

Welcome and thank you so much for joining us at our Annual Meeting in our school’s 49th year.

As we approach the fifty-year mark, it is an appropriate time to reflect back on how far the school has come and the difference WHMS has made in the lives of thousands of children and their families throughout the Capital District. Because of the time and commitment of many who called WHMS home before us, we have evolved from a small school in a series of rented facilities, to one of the largest Montessori schools in the country. Our teachers and staff, beautiful campus, and committed families make WHMS a true “city on the hill.” Although we have grown and changed, we strive to maintain our goal of making certain that WHMS stays true to its mission of providing a Montessori “curriculum to develop the intellectual, spiritual, physical, artistic and academic excellence inherent in each child.” Every year the board of trustees uses this core mission as its guide to all decisions, both big and small, and we are proud of the school’s accomplishments.

Thank you to our entire community for your time, energy and support. We look forward to working with you in the new year.

Sincerely,

Michael Endler
President of the Board of Trustees
NEW FACULTY MEMBERS
We welcomed five new faculty members this year.

Christine Claus is an Assistant Teacher in the Toddler classroom. Tina has a college degree from the Berufsbildende Schule Donnersbergkreis in Rockenhausen, Germany and graduated from the Nordpfalz-Gymnasium Kirchleinboland in Germany. She previously worked at Our World Montessori.

Ben Kelts joined WHMS this fall as our new Physical Education teacher and Athletic Director. Prior to working here, Ben worked at Riverdale Country School and the Opportunity Charter School, both in New York City. He has coached lacrosse, basketball, gymnastics, and soccer, and has taught sailing and boating, high ropes, First Aid and CPR, as well as math. Ben has a bachelor’s in Physical Education and a master’s degree in Special Education from Manhattan College, as well as graduate level coursework in Physical Education from Canisius College and a master’s in Education/ Curriculum and Instruction from the University of Phoenix.

Rebecca McIlvain is joining us as our new Middle School Spanish teacher. Most recently, Rebecca was a Spanish teacher at Hebrew Academy. She also has taught Spanish in Guilderland, Niskayuna and Saratoga. She is a magna cum laude graduate of Georgetown University with a bachelor’s in Foreign Service. She also has a Master of Arts in Teaching from Union College.

Stephanie Puchner joins us as a Primary Assistant Teacher in Chris Caruso’s class. Stephanie has a bachelor’s from the University of Vermont in Human Development and Family Studies and a master’s in Social Work from the University at Albany. She has worked in a variety of roles helping families as a social worker, with kids in day camp, and as an advocate for children and families at the Berkshire Center for Families and Children. She has also served as a substitute for WHMS for the past two years.

Ted Riese is the new librarian at WHMS. Ted has bachelor’s degree in History from the University of Wisconsin, Madison, and has several years’ experience working in public libraries in Madison and Little Rock, Arkansas.
Highlights

A Sampling of WHMS Events

We welcomed our largest student body ever this fall. We opened our doors with 270 students this fall and have grown to 278 since then.

Our inaugural Toddler class was so successful that we added an additional Toddler class this fall. There are 21 children between the two sessions.

Six WHMS students, along with their parents and Marla Bracco, traveled to Japan in March for the 16th Suzuki Method World Convention. Caitlin and Connor Chung, Conor McGinn, Aidan and Aman Singh, and Zoë Zubrick were among the 5,400 participants.

Woodland Hill Montessori School was named one of the “Best Places to Work 2013” by the Albany Business Review.

Upper El student Aman Singh won the grand prize in the Times Union Halloween storytelling contest. Aman’s story ending and photograph were published in the Times Union on Sunday, October 27.

Upper El student Ainsley Schuth spelled caravan correctly in the WHMS Spelling Bee’s bonus round, earning her a spot in the Capital Region Spelling Bee at Proctors in March.

John Kelly, a Community Educator from the National Center for Missing & Exploited Children, talked to WHMS parents and students about social media and internet safety issues, including cyberbullying.

On March 9, Upper El student Brian Shim participated in the NYSSMA (New York State School Music Association) evaluation festival. Brian played “Sonata in F major, K.332” by Mozart in the NYSSMA Level 6 music festival and received a perfect score.

Lucas Phayre Gonzalez (WHMS ’10) was named a student of Excellence by the Albany City School District for being a standout on the athletic field, the stage, and in the classroom.

WHMS parents Abhi Shah and Gita Bagul taught Nancy’s class about Diwali, the Festival of Lights. Abhi and Gita also created a beautiful rangoli, a decorative design meant to bring good luck and honor specific deities, at the entrance of school.

On November 4, the Upper Elementary visited the Albany Visitor’s Center. They learned about the mythology and writing of the ancient Egyptians through to the story of Osiris and Isis, the constellations of the Egyptian gods.

The 8th grade students and their teachers attended the Annual Global Citizenship Action Project (GCAP) in New York City in October. GCAP provides middle school students the opportunity to experience the work of the United Nations.

Primary Field Trips this fall included a trip to the Golden Harvest Farm, and to The Egg to see The Very Hungry Caterpillar.

Parent volunteers spent a day last spring building gardens for each classroom. The students also learned how to grow flowers and vegetables.

A photograph taken by Jeffrey Endler (WHMS ’12) on a 2012 trip to Tanzania with a group of WHMS students was recognized by National Geographic Kids. Jeffrey’s photo won a First Place Prize in the People Category for the 2012 United States International Photography Contest for Kids.

Our kitchen was upgraded to include a commercial-grade dishwasher, stove, refrigerator, freezer, microwave, sinks, and counters, along with work tables and storage. The upgrade has allowed the Friends of WHMS to expand their lunch program to include a burrito and pasta option.

Upper El student Ainsley Schuth spelled caravan correctly in the WHMS Spelling Bee’s bonus round, earning her a spot in the Capital Region Spelling Bee at Proctors in March.
Fifth- and sixth-grade students held four performances of “A Midsummer Night’s Dream” in late May. The fourth-graders performed “Shakespeare Unshackled,” a short musical before each performance.

WHMS is hosting a teacher from China, Lijun Ni, also known as Amelia, as part of a unilateral exchange program. She will be residing with a Woodland Hill host family for the school year and working with Primary-Upper Elementary students every day.

Three teachers from our sister school, the Sinai Primary School in Babati, Tanzania, spent two weeks in Capital District this past April. The teachers attended classes, gave presentations to classes about African culture, and spent their free time bowling, shopping, going out to dinner, and attending a picnic with the WHMS students that traveled to Tanzania last summer.

The Middle School students, their teachers, and Susan Kambrich, traveled to Puerto Rico for a week in May. They spent the time exploring Castillo de San Cristóba, Tibes Indian Ceremonial Center, the city of Ponce, Camuy Cave, and the Museo de Arte de Puerto Rico. They also hiked in a rainforest, swam in a pool at the bottom of a waterfall, and kayaked in a bioluminescent bay.

Congratulations to the Class of 2013!

On June 14, twelve 8th grade students graduated from Woodland Hill Montessori School. Parents, grandparents, friends, faculty, and staff gathered in the gym for the celebration. Vince LaBella was the keynote speaker, and graduate Grace Cavanagh was nominated by her classmates and teachers to be the senior speaker.

Our 2013 graduates are attending the following schools:

Academy of the Holy Names
Albany Academy for Girls
Albany High School
Bethlehem High School (2)
Chatham High School
Columbia High School
Emma Willard School (2)
La Salle Institute (2)
Shaker High School

SAVE THE DATE!

16th Annual Gala

Join us on Friday, March 28 at the Franklin Plaza in downtown Troy for our 16th Annual Gala.

We hope to see you there!
Woodland Hill Montessori School Income and Expense Statement

WHMS STATEMENT OF ACTIVITIES AND EXPENSES
for the year ended June 30, 2013

### Income

Tuition-Net of multi-child discounts & financial aid $2,647,018

- Extra Curricular & Pizza Lunch $206,538

The Annual Fund allows Woodland Hill Montessori School to keep the tuition affordable while providing additional funds to enhance our program. Your tax-deductible, voluntary contributions to the Annual Fund allow WHMS to purchase specific items this year that the teachers and staff feel are necessary for their programs, such as: Montessori materials, faculty education and development, playground/outdoor equipment, Smart Boards, soccer balls, diversity training for faculty, bleachers for the athletic field, risers for performances, Steinway piano, special events, speakers and assemblies, computer lab, field trips, writer- and artist-in-residence programs, and software for the library.

Yes, I would like to contribute to the WHMS Annual Fund

2013 Spring Benefit

Nearly 200 parents, friends, and community members gathered for the 15th annual WHMS Spring Benefit at Franklin Plaza on Friday, March 22. The parents enjoyed music, delicious food, drinks, dancing, auctions, a raffle, artwork by each student, and a professional video of WHMS students singing “Donate Maybe.”

The evening also spotlighted two Woodland Hill community members, Dave Canfield and Diane Carusone-McGinn, who were given Montessori Impact awards. Dave Canfield is Vice President of Construction of Wainschaf Associates, Inc. and first became associated with our school as Project Manager for Zandri Construction Corp. during the addition of our gymnasium wing and new playground. Diane Carusone-McGinn has been a parent at WHMS since 2007. She has served as the volunteer school picture coordinator, pizza lunch supervisor, president of the Friends of WHMS, a member of the re-accreditation team, and WHMS’s Extra-curricular Coordinator and School Care Coordinator.

Over $35,000 was raised for WHMS through a live auction of classroom projects, a silent auction, raffle, and donations, making it a banner night for Woodland Hill Montessori.

The evening would not have been possible without the Benefit co-chairs Susie Calyer and Kim Mayer and the entire Spring Benefit Committee. Thank you to all who made the evening a success.
