Dear Woodland Hill Families,

Welcome to the Annual Meeting!

I have the privilege and honor of reporting to you on our successful year. Woodland Hill Montessori School has become a recognized school respected in the greater community. Our foundation of the Montessori philosophy, close-knit community and nurturing environment sets us aside from other independent schools in the area. Our children are thriving here under the direction of our teachers. Our programs are strong and proven effective by our alumni. Our administration, staff, and teachers are hard working and talented. They work tirelessly to make the day run smoothly and also look for ways to improve and make Woodland Hill better.

The Board of Trustees works closely with the administration on a variety of initiatives. Each of our Trustees actively participates in the finance, development, expansion, and strategic plan committees. Trustees focus on future goals and fiscal health within the realm of our mission and vision at WHMS. We are fortunate to have such an engaged and devoted board.

Our achievements come from many directions. We attribute much of this success to our families. Your dedication to our school is vital to our accomplishments. Thank you for your continued support!

Sincerely,
Katie Singh
President of the Board of Trustees

Dear Woodland Hill Families,

Thank you for your support of Woodland Hill this past year. This year we have embarked upon our year-long self-study process to become reaccredited through the New York State Association of Independent Schools and the American Montessori Society. This requires an extensive and thorough look at our processes and methods. This work will help us to continue to be an excellent school and help us to find ways we can improve what we offer here.

We had a wonderful year, with some new experiences to add to our time-honored traditions. We all gathered this year in a May Day celebration on the field, with a May Pole, flower crowns and music. We held our second biannual Sustainability and Innovation Forum with area scientists and innovators. Our Middle School students asked insightful questions and our Congressman Paul Tonko said a few words of welcome.

Aija Mayrock, author and activist, visited our middle school students for a talk and book signing, and some of our alumni came back to WHMS for a luncheon panel. We had an artist-in residence, and several performances including Saratoga Opera, Eight Strings and a Whistle, and the Flying Deer Nature Center who did a day-long workshop for our Upper Elementary classes.

We were especially honored this year when two of our alumni sent me a letter with a $2,000 gift for our annual fund for STEM purchases. Lee and Rex Tien, both scientists, recall their years at Montessori as formative in helping them to be the successful and innovative scientists they are today.

Our school cannot be the outstanding place it is without the talented and dedicated faculty, our skilled administrative team, hardworking board of trustees, caring parents, and eager students! I continue to be grateful to have such a great place to not only be every day, but also to be able to provide this wonderful learning environment to our students.

Sincerely,
Susan Kambrich
Head of School
OUR MISSION

Woodland Hill Montessori School—a diverse and engaging educational partnership of parents, teachers, children, and community—nurture a child’s love of learning and sense of personal and social responsibility, using the child-centered Montessori philosophy and curriculum to develop the intellectual, physical, spiritual, artistic and academic excellence inherent in each child.

NEW FACULTY MEMBERS

We welcome six new faculty members this year.

Owusu Anane joined the Upper El as an Assistant Teacher, working with Cindy Bishop. Owusu previously served as a Senior Legislative Analyst for State Senator Kevin Parker and for State Senator Cecelia Tkaczyk as a Senior Administrative Assistant. He also worked as a substitute teacher at Albany Public Schools, and as an Albany High School football coach. Owusu has bachelor's in history from the University at Albany.

Ashley Fuda has joined the Toddler teachers, and is working in both the morning and afternoon sessions. Ashley has a bachelor’s in early childhood education from the College of Saint Rose. Before coming to Woodland Hill, she worked as a Head Start teacher in Nassau for four years.

Susie Gordon is our new music teacher. She is a veteran music teacher and most recently taught in Rabat, Morocco. Susie has taught around the world, including Islamabad, Pakistan, Quito, Ecuador, Kampala, Uganda, Cairo, Egypt, as well as in Keene Valley and Greenwich, New York. She has a bachelor’s degree from Skidmore in Music and Theater Education, and a master’s degree from Lesley University in Creative Arts in Learning. Additionally, Susan has graduate credit in music education from the Hartt School of Music in Hartford, and Improvisation coursework from SUNY Fredonia and the Omega Institute in Rhinebeck.

Erin Mergil is an Assistant Teacher in Stephanie Puchner’s Primary class. Erin is an experienced Montessori teacher, previously working at Escuela Montessori del Valle in El Paso and Castle Island in Albany. She has a bachelor’s degree from the University at Albany in Spanish and linguistics.

Kristen Padula is the new Assistant Teacher in Lower El, working with Julie Adams. Kristen has worked this past year at WHMS in the afterschool and summer programs. She also has worked at the Early Childhood Education Center at the Village Preschool in Troy and volunteered at Noah’s Ark Preschool. Kristen has a bachelor’s degree from the College of St. Rose in Early Childhood Education and is currently a graduate student at the University of Albany in Curriculum Design and Instructional Technology. Kristen also has volunteered working with children in Uganda and Kenya.

Jessa Pelizari is working as an Assistant Teacher in Chris Caruso’s class. Jessa is Speech Language pathologist and has worked at Story Place preschool and at Language Fundamentals, working with the elderly. Jessa has also been a children’s choir director, and has taught piano, French, and yoga. Jessa has a master’s degree from the College of St. Rose in Communication Sciences and Disorders.
A Sampling of WHMS Events

There are 290 students at WHMS this year, including 31 in Middle School, 56 in Upper El, 71 in Lower El, 106 in Primary, and 26 in Toddler/Toddler II. Our students come from 30 school districts across seven counties: Albany, Columbia, Greene, Rensselaer, Saratoga, Schenectady, and Schoharie.

On November 9, the Rensselaer County Chamber of Commerce honored Woodland Hill with the 2016 “Good News” award which recognizes businesses, nonprofits, and community organizations that make a significant impact on the area’s economy and quality of life. Susan Kambrich accepted the award on behalf of WHMS at a breakfast honoring the winners.

Jesse Roberts was named Woodland Hill Montessori School’s Maker Space Coordinator. Jesse worked with Upper Elementary student in a project in which the students built compressed air rockets out of paper.

Caitlin Chung won the WHMS Spelling Bee in January 2016. She represented Woodland Hill at the Capital Region Spelling Bee at Proctors on February 2.

(Related to Falls Family Fun Day). The holiday is celebrated across Mexico and Catholic countries on November 1 and is intended to honor deceased relatives.

Nearly 50 parents attended the presentation by Dr. Randy Cale at the Parent Education Breakfast October 18. Dr. Cale shared strategies for getting kids to listen.

Sally Rippin, author of the Billie B. Brown and Hey Jack books, spoke to Lower El students on Wednesday, October 19.

Diata Diata performed for WHMS students on October 21. Their folkloric dance complemented the Primary and Lower El studies of Africa this semester.

Friends of WHMS added a new activity to Fall Family Fun Day this year, a Touch a Truck, featuring six trucks in the parking lot that children could explore. The event also included attractions such as a petting zoo, tie-dying, bubbles, music and dancing, face painting, and magic.

The WHMS Green Team held its 5th Annual Lantern Walk on October 7. The students and parents enjoyed making lanterns, walking through the woods, and gathering on the field to sing songs.

In August, Michelle Edwards was named Assistant Director of Curriculum and Faculty Development. Her duties include partnering and assisting the Head of School, mainly in the areas of curriculum and teacher support, and helping and supporting the faculty in the development and implementation of Montessori curriculum, and reviewing and evaluating our academic programs. Michelle has been our Head Toddler Teacher for the past four years and was previously the Head Toddler Teacher at Our World Montessori for five years. She also served as a teacher trainer and mentor teacher. She will continue to teach the afternoon session of the Toddler class.

WHMS Middle School students held a community gathering honoring the legacy of Dr. Martin Luther King, Jr. The students created a presentation about Dr. King’s life, work, and philosophy. As part of the program, the students recited an excerpt from King’s I Have a Dream speech and reflected on his non-violent philosophy.

On December 18, 2015, Middle School students presented autobiographies of astronomers throughout history to Upper El and Lower El students. The MS students created models and representations to bring the astronomers to life. Some of the astronomers profiled included Jill Tarter, Stephen Hawking, Thomas Henderson, and Tycho Brahe.

The WH(MS)^3 team (Woodland Hill Montessori School Middle School Mega STREAM) participated in the Mathcounts competition at GE on February 6.

Kristi and Ann’s class raised funds all year for the South End Children’s Café. They set a goal of purchasing a CSA share to be delivered weekly to the Café.

WHMS alumni Rex and Lee Tien (Classes of ’97 and ’00) donated $2,000 to Woodland Hill Montessori School to be used specifically for science, technology, engineering, and math related classroom materials and activities. Rex and Lee graduated from the Montessori School of Albany (MSA), as WHMS was then known.

To celebrate National Engineer’s Week, Upper Elementary students worked with Lower Elementary students to complete a plastic cup tower engineering challenge. The students competed to build the tallest tower possible using 20 plastic cups. The tower had to be free-standing, and be constructed on the top of a table, or other flat surface.

On February 23, Upper Elementary and Middle School students attended an assembly about bullying, presented by the Anti-Defamation League. Students performed exercises that highlighted how we all have similarities and differences, and
discussed what limitations arise when we seek out only those who are like us. Students were also presented with different scenarios that arise in school, and the opportunities they had to be allies and confronters when faced with bullying.

Students enjoyed a lovely performance by Eight Strings and Whistle on February 26.

Author Aija Mayrock (The Survival Guide to Bullying) visited with WHMS students and shared her experience with bullying and how she overcame it through writing and performing poems (rap poems).

In March, the Middle School students performed an adaptation of To Kill a Mockingbird to rave reviews. Through the entire process, students explored topics such as racism, class, gender, innocence, and their intersection.

Woodland Hill parent and neuroscientist Ela Dharamalingam presented a lesson about brain function and structure to the Middle School and Upper El students in April. Ela guided them through games and experiences that highlighted how the brain may interpret things differently than expected.

For the first time ever, the Upper El Shakespeare production was held en plein air. The afternoon performances of A Midsummer Night’s Dream were held in the woods below the Upper El classrooms to the delight of the audience and the cast.

Opera Saratoga’s Opera to Go brought Operation Superpower to WHMS on March 3. Operation Superpower takes a stand against bullying by promoting the five essential elements of being a superhero: courage, hope, honesty, imagination, and friendship. The Opera’s annual performance is sponsored by the Friends of WHMS.

Before the 2016-2017 school year began, WHMS hosted a “World Café,” an exploration of Woodland Hill Montessori School’s mission and philosophy hosted by Mary Ellen Kordas, the former head of Valley Montessori School, and current member of the American Montessori Society board. The Café was attended by all WHMS faculty and staff, and by board members and parents of WHMS.

We updated our Strategic Plan this year. Please consult our website to read the plan, which includes our goals and objectives.

Highlights continued

Congratulations to the Class of 2016!

Seventeen eight graders graduated from Woodland Hill Montessori School on Friday, June 17.

Harper Cartwright was the senior speaker, nominated by her peers and teachers.

The keynote graduation speech was given by longtime Montessori educator, administrator, and consultant, Dane Peters. Dane’s speech was entitled “Lead with Grace and Courtesy.”

Our 2016 graduates are attending the following schools:

- Academy of the Holy Names
- The Albany Academies (2)
- Albany High School (3)
- Bethlehem High School
- Catholic Central High School
- Christian Brothers Academy (2)
- Darrow School
- Emma Willard School (3)
- Ithabod Crane High School
- Voorheesville High School
- Waldorf School of Saratoga

The WHMS 18th Annual Gala was held at 60 State Events in downtown Albany on Friday, April 8. More than 200 parents, faculty, alumni parents, and community members attended the event, which included cocktails, a performance by WHMS violin students, a sit-down dinner, silent auction, raffles, a live auction of classroom events, and dancing.

Longtime WHMS parents Fred and Laura Galt were honored at the Gala with a Montessori Achievement Award. Fred and Laura have been parents at WHMS for 12 years, and Fred has served as the secretary of the board of trustees for nine years.

More than $50,000 was raised for the school through the live auction, safe deposit box raffle, silent auction, Raise a Paddle, and tuition raffle.

The evening’s success can be credited to the Gala chair, Kristine Abele, and the Gala committee who worked on the event for the entire school year.

We thank everybody who attended the event, or supported it, for making it so fun and successful!
