

Back to School supply list for Lilli and Callie's Classroom 2025-2026

Dear Classroom Families,

As you pack in the last of your summer adventures, we hope that you are having a blast with your family! We are looking forward to seeing the children, hearing their summer stories, and sharing ours with them! The time is fast approaching when we will joyfully return to our beautiful school campus and prepare our classroom for the school year.

Outlined below are the supply lists for the upcoming school year. Children will need to have the items listed in the first column. Please note the recommendations included by the items to help with your search. **Please label ALL personal items to ensure they return to your child if lost.** The sketchbook is a specific size and we are requesting every child have [this one](#) in particular. We have created a classroom wish list for shared classroom supplies and are requesting two to three items from each child. The wish list can be found here: [Amazon wish list: 2025 | 2026 School Year](#). Please plan to bring the purchased supplies with you during meet and greet, or send with your child on the first day of school.

Please refrain from sending supplies directly to campus. Thank you for your attention to the back-to-school supply lists. We look forward to seeing you soon and beginning an incredible school year together! Enjoy the rest of your summer!

Warmly,
Lilli and Callie

For each child:	For the classroom:
<p>Napping 3 Year Olds: We ask that you send in a labelled nap roll for your child, as the children are encouraged to set up their nap space to foster independence. Crib sheets are not recommended as they require considerable teacher assistance.</p> <p>Recommended Brands:</p> <ul style="list-style-type: none">Urban Infant (top recommendation): https://urbaninfant.com/products/tot-cot-nap-matWake in Cloud: https://a.co/d/j0IBHz6Pottery Barn Kids: https://www.potterybarnkids.com/products/chambray-stripe-nap-mat/	<p>**** Classroom Supplies</p> <p>^^^ Please purchase two or three items per child / do not label</p>
