

Stephanie's School Supply List 2024-2025

Dear Parents,

Can you believe that our first day of school is almost here? We are so excited to begin creating our classroom community! As we start to get ready for the new school year, we are asking parents to pick up a few additional items that will be used as general classroom supplies. These items do not need to be labeled and can be sent in during the Meet & Greet.

		Third year students, please bring a package of wet wipes for art class.

We wish to help make this aspect of back-to-school shopping more convenient for our families. You can link directly through to this website to order OR you can purchase some of the items locally and just mark them as purchased. Please purchase at least one package of watercolor paper pad and anything else you would like. These items can be brought to our Meet and Greet, please refrain from sending them directly to school.

We would also like everyone to bring in one indoor plant or a succulent plant for our classroom. Each plant will be a beautiful addition to our environment and the children will learn how to take care of them and watch them grow during the year!

Thank you for your cooperation; we look forward to seeing you soon!

Fondly,

Stephanie Puchner
