

**Sunscreen, insect repellent, & tick removal parent permission for use at
school/school sponsored events
To Be Completed by Parent/Guardian**

Student Information:

| | |
|---------------|-----------------------|
| Name: | Date of birth: |
| Grade: | Teacher: |

NYS Education Law allows students to apply or direct school staff members to apply FDA approved sunscreen and insect repellent products at school/school sponsored events with written parent/guardian consent. Please send only **non-aerosol** products labeled with your child's name.

If a student cannot apply or direct an adult to apply sunscreen or insect repellent for them, a licensed health professional must apply it and a provider order and written parent/guardian consent is needed.

| |
|--|
| <input type="checkbox"/> I allow my child or directed adult to apply their own FDA approved sunscreen as needed. <input type="checkbox"/> I do NOT allow my child or directed adult to apply their own sunscreen as needed. |
|--|

| |
|---|
| <input type="checkbox"/> I allow my child or directed adult to apply their own insect repellent as needed. <input type="checkbox"/> I do NOT allow my child or directed adult to apply their own insect repellent as needed. |
|---|

NYS Education Law allows registered nurses to remove tick(s) from a student with written parental permission. Prompt removal of an attached tick may help reduce the likeliness of contracting Lyme disease and other tick-borne illnesses.

| |
|---|
| <input type="checkbox"/> I give permission to the school nurse to remove tick(s) from my child. <input type="checkbox"/> I do NOT give permission to remove tick(s) from my child and will pick up my child to remove the tick(s). |
|---|
