

July 2026

Dear Middle School Parents and Students,

We hope you are having a wonderful, relaxing summer and are looking forward to the new school year as much as we are. Woodland Hill Middle School is an exciting place to learn and grow! This year, students will engage in a challenging and meaningful curriculum while also participating in field trips, community service, student-run businesses, and many other hands-on experiences. Our Middle School is a collaborative and supportive community where everyone is encouraged to learn, contribute, and grow together. We are looking forward to a fantastic year ahead!

We believe that a strong partnership between school and home is one of the keys to a successful school year. Open communication between families and teachers helps us best support each student, and we encourage you to reach out at any time with questions or concerns. Email is the best way to contact us, as we are able to check it regularly and respond promptly.

We hope you enjoy the rest of your summer, and we can't wait to welcome everyone back this fall!

Sincerely,

The Middle School Team

Alisa Scapatici
Middle School Director
